Hi Folks:

As we just discussed with Seth, we'd like to arrange a time to talk early next week with HQ OPA about the inquiry we've received from Frontline on the large Pebble Mine project in Alaska.

Apparently the reporter will be in Alaska the week of August 10th and the film crew will be there after the 17th.

Ex. 5 - Deliberative

I'll be at a class in Baltimore, but would like to participate via cell phone.

Mary Gutierrez our front office manager is going to help w/scheduling. Adora and Seth, do you have

schedulers? If so, Mary can get in touch with them and set this up. Please let us know who Mary should work with.

Thanks everyone.
